Inter-Faith Dialogue

Definition
Conversations and dialogue between different world religions to promote respect e.g.The World Council of Churches.

Aims
Promote contact.
Build trust.
Develop respect and tolerance.
Prevent religious conflict.

Inter Faith Services
Prayers from the different religions.
Music and hymns
Readings from the different sacred texts.

Example
Pope Francis met with the Grand Imam of the UAE and has spoken about the importance of talking and working with the Muslim community. He drew attention to our shared belief in the presence of God.
