### POPE FRANCIS ON THE MIGRANT CRISIS IN THE

**MEDITERRANEAN:** "Dear brothers and sisters, I express my  
deepest sorrow in the face of tragedy in the Mediterranean and  
assure the families of my thoughts and prayers. I address a  
heartfelt appeal to the international community to act decisively  
and promptly, to prevent such tragedies from occurring again.  
These are men and women like us, brothers seeking a better life.  
(They are) hungry, persecuted, injured, exploited, victims of war.  
They are seeking a better life, they are seeking happiness. We  
must not tire in our attempts to solicit a more extensive response  
at the European and international level."
