THE HARVEST

Lord, it was you who first planted us on this earth.
You fenced us around with the love of our families and friends.
Their care towered over us.
Under the shelter of this tower we grew in safety and peace,
We put out early blossoms, we filled up with leaves.
People had great hopes for us.
But now the year of life is passing.
The harvest is approaching.
What have we to show? What fruit have we produced?
