HE IS RISEN!

Easter life is about the joy of rebirth in the Spirit of God and we don't have to wait until next life before enjoying it. Easter life is now. We rejoice as we realise that we not walking the pathway of life alone. Christ is with us every inch of the journey as our Saviour, our Redeemer and our Healer.

*Easter
Blessing*

*May the celebration of resurrected life bring new hope to your being.
May the victory over earthly death turn your eyes to the promises of heaven.
May the empty tomb help you to leave your sorrows at the foot of the cross.
So that God's hope, promises and forgiveness reign in your life forever.*

Easter Blessings to all.
