THE EUCHARIST – FOOD FOR THE JOURNEY.

The Eucharist, as Pope Francis says, 'is not a prize for the perfect but a powerful medicine and nourishment for the weak'. It is a call for all of us to grow and to share with one another Christ's message of love and peace. The Eucharist sustains us on this Christian path and brings us together as brothers and sisters travelling together on this journey of faith. We should leave this table changed by the encounter, a little lighter, a little more hopeful and joyful, a little stronger.
