THE HOLY SPIRIT: LORD AND GIVER OF LIFE.

*Our very life is the Holy Spirit's power at work. From the very moment of our
conception we experience the power of eternal creativity and holiness in our
body and our soul. Life is his gift and his alone. For this reason we cherish life.
None of us was a mistake. Every human, born and unborn, is an unique work of
art. The Holy Spirit is the paintbrush and chisel of God's power that has worked
wonders in you!*

*This is a very big week for our nation. This week we will choose in a
referendum whether or not we accept that the unborn child has the right
to life. It is an important question we are being asked and you have
thought about it a lot. But when everything is stripped away, the real
question we are being asked is does the child in the womb have the
right to life or not?
May the Holy Spirit guide us in our decision making!*
