AN ANGEL OF GOD

We know what Elijah is talking about when he says: 'Lord, I've had enough.'

Broken and dispirited on his journey in the wilderness, he has reached the end of his tether.

At his lowest ebb, an angel of God comes to his rescue and feeds him.

This gives him renewed courage and faith to march on and to face the challenge of another day.

When we are 'down' who are the angels who minister to you?

Are you an angel of God?
