**SEASON OF CREATION**

In a few days we celebrate the Feast of St Francis (4<sup>th</sup> October), patron saint of ecology. Let us pray that we embrace our role as good stewards of creation:

*'God of love, show us our place in this world as channels of your love for all the creatures of this earth, for not one of them is forgotten in your sight. Enlighten those who possess power and money that they may avoid the sin of indifference, that they may love the common good, advance the weak, and care for this world in which we live.'* (Laudato Si, 245)
