DAY FOR LIFE

Day for Life is celebrated yearly by the Catholic Church. It is a day dedicated to raising awareness about the meaning and value of human life at every stage and in every condition. Jesus tells us 'I have come that you may have life, and have it to the full.' Many people do not have life to the full.

Many have fallen victim to the scourge of human trafficking and modern slavery which are an assault on a person's innate dignity. People are not commodities to be traded ruthlessly for criminal profit.

We pray and work for the victims of human trafficking that they may be helped to rebuild their lives after the traumatic experiences they have gone through.
