Offertory Collection amounted to €2,640: Thanks to all.

Parish Envelopes are now available from the parish office. It would be appreciated if some member from each household would call and collect their box during office hours (10am – 2 pm). The recommended weekly contribution has remained the same for many years. The number of parishioners has decreased, resulting in a change with some numbers being updated this year. The parish weekly income is much less than in the past. I am aware of the many financial commitments parishioners have, nevertheless, I would be grateful if you could increase your weekly contribution.
