*'Then opening their treasures, they offered him  
gifts of gold, frankincense and myrrh.'*

*Matthew 2:11*

You'd have to feel sorry for the wise men. Just when most people are taking down Christmas trees and decorations, the wise men arrive when everyone else is finishing up. But the feast of the Epiphany, which we celebrate today, is an important one. Just like the wise men we are also searching for meaning and purpose to life. We are looking for answers to our deepest questions. The journey of the wise men reminds us that those who are searching for something deeper will find God in their lives. God is waiting to be discovered in the places and people that we least expect God to be. We pray today for guidance and direction in our own daily journey. Like the wise men we also pray for strength and courage on our journey especially when it's easier to quit.
