GOD'S EXTRAVAGANT GENEROSITY.

*According to the Gospel of John, the first of the signs or miracles of Jesus takes place in the context of a wedding and the last of his signs takes place in the context of a funeral, the death of his friend Lazarus. Jesus was present to people in their times of joyful celebration and in their times of harrowing grief. The Lord is powerfully present to us in those times that engage us to the very depths of our being, times of new beginning and of significant transition. That is why many of the sacraments of the Church mark those key moments. As we begin ordinary time, we are reminded that each day we are graced by God's extraordinary generosity so that we can be channels of God's extravagant love to each other.*
