Journeying through Lent

Journeying through Lent is a Prayer Booklet for each person to use during Lent. Each day invites us to pray for a different gift, e.g. opening our hearts, standing in solidarity with those who are suffering, becoming people of compassion, listening to God's word of life..... The elements of the days are built around a reflection, an invitation and a moment of prayer. Copies are available at the back of the Church. It is also available online to download to your phone. or tablet.

DIOCESAN COLLECTION FOR EMIGRANT SERVICES:

will be taken up at all Masses next weekend (March 16th /17th) as a joint offertory collection. For over 60 years the Irish Church has had a Council for Emigrants. Services are provided in cities In England and the U.S. and elsewhere.

Seeing your Life through the Lens of the Gospel (Luke 6:39- 45)

1. The temptations were a step for Jesus in his growing understanding of his mission and of his relationship with his Father. Can you look back at some painful experiences and acknowledge that you have grown through them, both in your knowledge of yourself, and in your relationships with others and with God? Give thanks for the guidance of the Spirit of God in these times.

2. Behind each of the specific temptations is a basic temptation to lose trust in God. Jesus resisted this because he recognised his complete dependence on his Father. How have you come to recognise your life and the whole world as gifts from God?

3. One can enter into each of the temptations singly. There may be ones that you have experienced:

- the temptation to give priority to bodily needs and satisfactions
- the temptation to power
- the temptation to seek to be the centre of attention.

How have you grown through wrestling with these temptations? **John Byrne OSA**
