Seeing your Life through the Lens of the Gospel Luke 15:1- 3 11- 32

1. Like many a parable, this story makes its point in what seems to be an unfair way: the spendthrift son is rewarded and the elder son is hurt and angry. Jesus is telling us that both sons failed to recognise the free gift of love offered by their father. Love is a free gift, not something we earn by our goodness. When have you experienced this truth in the love you have received from others? When has the experience of human love prompted you to reflect on God's love for you?

2. After some time, the younger son 'came to himself' and returned home. Where and when have you experienced a homecoming after a time of exile and alienation? What helped you to come to yourself and make that journey home?

3. The older son resented the welcome given to the younger son after his wandering and dissolute life. This contrasts with the welcome the father gave the younger son. Perhaps you have experienced these differing attitudes in yourself when people you knew 'came to themselves'. How did you move beyond those initial feelings?
