JUST A THOUGHT ON THE LITURGY OF THE WORD AT MASS

In the Liturgy of the Word, God speaks to us, opening up to us the mystery of redemption and salvation and nourishing our spirit; and Christ is present in his own word. Just as in ancient biblical times, we, God's assembled people are cut to the heart; we cry out in joyful psalms and alleluias. God's story is one we know well; and we have come to celebrate and give thanks. Assembled as God's royal and priestly people, and stirred by the indwelling Holy Spirit, we respond to this proclamation with a profession of faith and with the offering of prayers of petition on behalf of the Church and the world. After the celebration we will go back out into the world. May the Lord be in our hearts and on our lips that we may worthily proclaim his gospel with our lives.
