THOUGHT FOR THE WEEK: On the 8th September we celebrate the birthday of Our Blessed Mother. We don't know for certain when she was born but for the last 1,500 years Catholics have celebrated her birthday on this day. Every birthday is special, and is our way of saying, 'You are special, there's only one of you, we rejoice that you exist'. Our Lady should play an important role in our lives. She is our Mother who cares and loves each one of us. Our Lady is the one who will teach us to love her son Jesus as she did. "Mary receives praise as a mirror receives light... She makes it pass from her to God" -Ven. Fulton Sheen. This coming week let us ask Our Lady's for help and guidance with all our situations, worries and concerns.
