DIVINE MERCY SUNDAY This Sunday is marked as Divine Mercy Sunday, and devotions will be in the Cathedral on this Sun 3pm to 4pm, available on the parish radio and webcam.

Putting your prayers and petitions before the altar:

We are delighted so many are able to join us for Mass via the parish radio and the webcam. But this is such a tough time for so many people - being unable to attend Mass in person, unable to come to pray in the Church, unable to light their candle for their own needs and intentions. You are very welcome to send us your personal prayers and petitions by text on 087 3753400 or to killarney@dioceseofkerry.ie, and we will print them and place them in a basket in front of the altar at the Cathedral. You are welcome to include your first name on the message, but they will be treated with confidence and will not be read aloud at Mass. Be assured of the priests of the parish praying for you and your intentions at this challenging time.

Trocaire The Trocaire Box Lenten campaign is the one big fundraiser by Trocaire each year to fund their overseas development. Now that Lent is over, you can forward your contribution to www.trocaire.org, or to Trocaire, St Patrick's College, Maynooth, Co. Kildare, or keep the box and contribution until the current restrictions cease and you can return it to the Parish Office then.

THE PARISH OFFICE hours are the same, but behind closed doors at the moment. But ring 064 6631014 or 087 3753400 or email killarney@dioceseofkerry.ie during the above office hours and Sheila will help with Mass Intentions, bookings etc.

Easter Hope - A Message from Bishop Ray

Easter is about Spring and new growth, Easter is about light and life, Easter is about God's love and care, and death is the door to eternal life. May Easter strengthen our hope and confidence in this fifth week of our journey coping with the Covid-19 pandemic.

The Resurrection of Christ proclaims God's love and care for us all. Though we knew it was likely, hearing of all the restrictions being extended until early May still disappointed all of us. Let us be resilient, not downhearted. In recent days I came across in a calendar these words of wisdom attributed to G. MacDonald:

It is not the cares of today, but the cares of tomorrow, that weigh a person down.

For the needs of today we have a corresponding strength given.

For tomorrow we are told to trust, it is not ours yet.

Strive to live in the present. Together we will be able to cope with whatever tomorrow brings, - with the help of God's grace. When we are full of worry, deliberately think of all the positive and hopeful things that will help us cope.

Over the past month facing up to the pandemic so many people, so many groups, so many volunteers, have served us all so well. Together we will get through the weeks ahead. Winter has passed, Spring has truly arrived: this virus will pass, our communities, our country, the whole world will get back on its feet. We will do so with gratitude in our hearts and a smile on our faces. The Risen Lord cares, He is our strength.

A Prayer of St Teresa of Avila

Let nothing disturb you,
Let nothing frighten you,
All things are passing away:
God never changes.
Patience obtains all things
Whoever has God lacks nothing;
God alone suffices.
Amen.
