

LAUDATO SI' ACTION PLATFORM

'Bring the whole human family together . . . for we know that things can change.' (*Laudato Si'*, 13)

In May 2021, Pope Francis launched the *Laudato Si'* Action Platform. This is a seven-year road map for the Catholic Church to implement *Laudato Si'*. You can participate and become a *Laudato Si'* school, parish/diocese, university, congregation, business or family by trying to achieve seven *Laudato Si'* Goals over seven years, a jubilee for the earth.

 - grass, plants, hedges, shrubs, trees, stream/river
 - insects, birds and other creatures
 - walls, stones, ditches, shady corners
- **What could you protect?**

'St Francis asked that part of the friary garden always be left untouched, so that wild flowers and herbs could grow there, and those who saw them could raise their minds to God, the Creator of such beauty.' (Laudato Si', 12)

- **What could you add?**
 - Be wise: Reduce mowing and avoid (or try to avoid) using herbicides/pesticides
 - A log pile – a home for other creatures
 - A small pond – for aquatic creatures
 - A pile of leaves/A bird feeder
 - Pollinator-friendly plants:
see 'Resources for Faith Communities'
www.pollinators.ie/faith-communities/
