A SYNOD: JOURNEYING TOGETHER, LISTENING TO EACH OTHER

Pope Francis extends a world-wide invitation to the whole Church to
consider how we might walk together and work together as God's people
in greater synodality. Synod means "journeying together", and we do that
with good communication' listening and really hearing what the other is
saying, and thus proceeding in harmony, appreciating the insights and
experiences of each other.

This synod approach will happen in the Church as a whole, in the Church
at national level, and in the Church at diocesan and parish level.

The diocesan launch for this synodal journey of will take place in the
Cathedral this Sunday afternoon at 3pm (17th October)

The liturgical ceremony will take approx. 40 minutes.

You are invited to attend or to participate via streaming
(via the webcam on www.killarneyparish.com).

Let us unite in prayer for the success of The Synodal Pathway.

Pope Francis reminds us that the purpose of this is not to produce
documents, but rather:

"to plant dreams, draw forth prophecies and visions,
allow hope to flourish, inspire trust, bind up wounds,
weave together relationships, awaken a dawn of hope,
learn from one another and create a bright resourcefulness
that will enlighten minds, warm hearts, give strength to our hands."
