Reflection

*May your gentleness, O Lord, exude from every heart.
May this New Year be a year of many blessings,
where new vision will transform the dark places of lonely hearts.
May we discover the hidden beauty of each soul,
If we meet with sorrow, may we find inner light.
May this light guide us to a brighter place,
in the company of friends and family,
in the company of love.
May each moment of every day unveil your abiding presence,
In beautiful surprises, reawakening the child within each of us.*

(Liam Lawton, The Hope Prayer)

JOB VACANCY: St John Paul II Pastoral Centre, Killarney, Co. Kerry
invites applications for the position of a Part Time Secretary. The role will
involve general secretarial duties. Experience required in Microsoft Office
and general office duties. Application for the position by cover letter and
CV, in confidence, to diocesanpastoralcentre@dioceseofkerry.org
Closing date for applications is 5 pm on Wednesday Jan 26th. Interviews
will be held during week commencing Jan 31st. Garda Vetting will apply.

PARISH RADIO AND WEBCAM : We always hold our concern and
prayer for those who are housebound or sick, unable to gather now with
the parish community for Mass each week during this pandemic, please
make contact with us in the Parish Office at any time and we would be
delighted to arrange collection of either the Parish Radio or Webcam
Box. You might wish to know that we have a **parish radio system** that
broadcasts the Mass locally from St Mary's Cathedral. Because it's on an
unusual frequency, it needs a special radio to receive it, which can be
purchased from the Parish Office. We also have **webcams in the
Cathedral broadcasting the Mass** over the internet on
www.killarneyparish.com, and is great for people living away, as well as
those unable to get to Mass. It is also possible to get this on your own
television, but you will need to have broadband internet in your home,
and a special set-top box, again which can be purchased from the Parish
Office, and which family members might be able to help install.
