Reflection: *Blessed are the hungry; they shall get their fill, It is in our emptiness that we are filled, It is in our confusion that we are guided. It is in our weakness that we are strengthened. It is in our sins that we are forgiven. It is in our hunger that we are fed. We believe that God has a homeland prepared for us where all our hungers will be satisfied and all our hopes will be fulfilled. This conviction makes it possible for us to travel onwards with an ache in our hearts and an unquenchable longing in our souls.*
