St. Patrick's Missionary Society. Fr. Thomas O'Connor will make an appeal for St. Patrick's Missionary Society and its Mission at all Masses this weekend the 24th/25th Sept.'22.

The Pastoral Council met on Wednesday evening where its constitution was considered and approved. This is a guiding document to enable the Council to be more self-directing in accord with diocesan norms. It should enable the parish to assume more responsibility for Church-related matters.

Some discussion on the mode of collection followed and it was agreed for now to continue to have baskets in prominent places inside the church doors. Please do not see non-passing of baskets as an indication that we do not need contributions. We do. We remain however jittery in the face of the Covid situation at the onset of winter.

Consideration of energy use followed. It was proposed that we reduce the number of Masses from 3 to 2; Knockanure 7:30 (Sat) and Moyvane 10:30 (Sunday). Because some such arrangement is likely to come from the diocese soon, we did not come to any conclusion.

It was also suggested that we heat sections of the churches (Moyvane especially) for weekend Masses. This was considered but it was agreed that this might not be appreciated though it may be a more responsible way ahead. It was however proposed at the Tuesday and Thursday Mass in Moyvane that heating would be confined to the front of the altar area.
