HAPPY NEW YEAR

Take care of your spiritual life, your relationship with God, because this is the backbone of everything we do and everything we are.

Take care of your family life, giving your children and loved ones not just money, but most of all your time, attention and love.

Take care of your relationships with others, transforming your faith into life and your words into good works, especially on behalf of the needy.

Take care of brothers and sisters who are weaker, the elderly, the sick, the hungry, the homeless and strangers, because we will be judged on this.
