**OFFERTORY COLLECTION ENVELOPES:** are now available from the Parish Office. We would greatly appreciate if the contact people could call to collect and distribute in their particular area. Why do we encourage you to use the weekly envelopes? Because we have charity status it means that when someone contributes €250 or more each year to the parish, we are then able to claim a tax rebate from the Revenue Commissioners for that contribution. All that is required is for us to keep the contribution details (thanks to the weekly envelopes), and it doesn't place any extra burden on you, the contributor. Last year it raised an extra €28,848, so contributing with the weekly envelope does make a huge difference, and adds extra to your generous support of the parish. If you currently do not use an envelope or are new to the Parish and would like to have a box of envelopes, please contact the Parish Office and we'll organise that for you. Many thanks for your continued support.
