Other Financial Information

As in previous years, the Diocese has five groups of funds which are accounted for separately and reflect particular purposes for which they were established. The funds which are explained below have been classified between restricted and unrestricted.

Fund Headings

Specific Funds (restricted):

This is a group of separate accounts which serve specific charitable purposes, according to the intention of the donor or initiated by the Bishop for a specific reason. Each account is used for the purpose for which it is intended. Annual and once off special collections are part of this fund.

Priests' Funds (restricted): Rathmore Fund

The clergy and parishes of the Diocese contribute annually to a Benevolent Fund which provides a stipend for priests who are retired, ill or unable to derive a stipend otherwise. The fund also pays nursing home costs for priests.

Secretariat of the Diocese of Kerry

Education of Priests Fund (restricted):

The annual collection for the education of seminarians is part of these funds. Donations and bequests for the education of priests are held in this fund. It also finances the cost of postgraduate study for priests of the Diocese.

Central Fund (unrestricted): KDA

The central fund of the Diocese supports the centralised activities of the diocese, including providing personnel and running costs for the Kerry Diocesan Office, (Bishops Office, Education Offices, Communications Office, Child Protection and Archives, Pastoral Centre). Also contributes to the services of the Marriage Tribunal Cork and St Senan's Education office Limerick. These funds are principally financed by contributions from the parishes, from income on investments and donations, and bequests by the faithful. An annual parish levy, (presently 15% of ordinary income from collections) also contributes to the fund.

General Fund (unrestricted):

The general fund includes rental income from a diocesan property, and the associated costs of that property. It also includes charitable funds which have been contributed for charitable and pastoral needs for disbursement at the discretion of the Bishop.

Observations and Notes

The summary financial information presented in the previous pages provides an overview of the finances of the Diocese for the year ended 31 December 2020. There are a number of points that should be noted:

- The Diocesan Accounts are prepared on the accruals basis.
- The Diocese Accounts for all properties owned by the Diocese. Buildings have been depreciated by reference to estimated useful lives of 50 years. The land element of properties is not depreciated. Provision for diminution in value is created where there are indicators of a reduction in the carrying value of the asset.
- Funds are classified as either restricted or unrestricted in accordance with the guidelines for accounting by charities.
- The gains for the year ended 31 December 2020 amounted to €227k (2019: €1,823k). A gain of €198k (2019: gain €890k) on investments was included.
