COUNTY CLEAN UP DAY: April is National Spring Clean Month and on Saturday April 15th, we are going to go out and make a difference. The County Clean-up ,which is facilitated by KWD Recycling, is a great way to help sustain tourism numbers into the Kerry region, and ensure visitors have a positive experience, which they can share with others. This initiative is beneficial to all businesses in the county and with the support of the County and Town councils, Chambers of Commerce, Kerry County Board, An Taisce and the Department of Environment, Community and local Government, we are calling on local Tidy Towns committees, residents associates, schools, youth groups, sports clubs, businesses, families or simply a few friends to get together along the major routes through Kerry and collect litter all on the same day. You simply leave the full refuse sacks at the designated drop off points and KWD will arrange collection. Its easy to get involved, display this letter to publicise the event, gather your volunteers and go to www.countycleanup.com to register and receive your free clean up day pack which includes reflective vests and refuse sacks. It's a great way to get local communities together for a good cause. You can send us photos from the day to info@kwd.ie and we will display them on our website and Facebook page.
