**The Rosminian Missions,** Fr. Wilhad Casmir Shayo and Fr. Christy McLwee, would like to thank the Parishioners of Waterville and Caherdaniel for your generosity and the very warm welcome you gave Fr. Christy when he was visiting your parishes for their Mission appeal. He truly felt at home. The total collection made from both parishes was €2,180. Be assured of our Prayers.

We can see from the gospel passage that the people Christ was preaching to country folk, close to the earth, aware of the rise and fall of the seasons and with a keen eye for harvest time. Christ compares the church, the people of God, to a field where wheat and weeds grow side by side until the harvest. Only then are the good separated from the wicked. In the world around us, good and bad people mix like wheat and weeds growing in the same field. Every human heart contains a mixture of good and evil. We are a sinful people and should be conscious of our failings. Life is more complicated than drawing clear cut lines between saints and sinners. The church is not an exclusive community of the virtuous. It is here because we are sinners looking for salvation. The patience and tolerance extended by God to our personal sinful situation is to be shown to those whose faults are known to us.
