Today's Gospel reminds us that there are moments when we must speak the truth in love for the greater good. The Season of Creation presents us with such a moment where we can create awareness across our communities so that together we can discern how to care more deeply for God's creation. For this is our common home, the home we all share. We are not alone, Christ is with us on this journey: "For where two or three are gathered in my name, I am there among them".

"The climate crisis is a deeply spiritual crisis. Our faith offers us a wonderful vision to rekindle these relationships, to renew a childlike sense of awe, wonder and beauty and thus set out in living the first commandment God gave to us, to be guardians and protectors of this beautiful world, not its polluters and destroyers." - Archbishop Dermot Farrell, Cry of the Earth, Cry of the Poor, (Pastoral Letter).
