*The Season of Creation is a time marked throughout the Christian world from 1st September (the World Day of Prayer for Creation) to 4th October (Feast of St. Francis of Assisi) and celebrates the joy of creation as well as encourages awareness-raising initiatives to help us to heal and protect Our Common Home. The theme this year is Let Justice and Peace Flow. The Prophet Amos cries out: "But let justice roll on like a river, righteousness like a never-failing stream!" (Amos 5: 24) and so we are called to join the river of justice and peace, to take up climate and ecological justice, and to speak out with and for communities most impacted by climate injustice and the loss of biodiversity. Creation never ceases to proclaim to us. We celebrate in the awareness that our world is suffering deeply from numerous environmental crises as well as conflict in many regions. These global crises are interconnected and affect millions of people but are experienced most deeply by the poor and vulnerable. The earth is crying out to us, but are we listening now to the Book of Creation? May this Season inspire us and strengthen us in our efforts to protect our common home.*
