From a bush with thorns comes the beautiful rose.
From a broken heart comes powerful prose.
From a cramped cocoon comes a new butterfly.
From a rough mountain climb comes a breathtaking view. ~Anon

REFLECTION

The following is food for thought...

The most destructive habit is worry.
The greatest joy is giving.
The greatest loss is that of self-respect.
The most satisfying work is helping others.
Our greatest natural resources are our young people.
The greatest boost we can get is encouragement.
The greatest problem to overcome is fear.
The most powerful force in life is love.
The greatest soother and comforter is prayer.
The world's most incredible computer is our brain.
The worst thing to be without is hope.
The deadliest weapon is a sharp tongue.
The two most powerful words are 'I can'.
Our greatest asset is faith.
The most worthless emotion is self-pity.
The most beautiful attire is a smile.
The most appreciated word is 'Thanks'.
The most contagious spirit is enthusiasm.

To the world you may be one person but to one person you may be the world.
Be yourself, be proud of who you are and let your light shine.
Don't let anyone take away your something special and live life as full as you can today because we have no idea what tomorrow might bring.
