*Having the confidence to be yourself in a world which is doing its best to make you doubt yourself,
is the greatest gift you can give yourself and the greatest act of rebellion you can ever perform.*

REFLECTION

Pause for thought ...

“Write it on your heart that every day is the best day in the year.
He is rich who owns the day, and no one owns the day who allows it to be invaded with fret and anxiety.
Finish every day and be done with it.
You have you have done what you could.
Some blunders and absurdities no doubt crept in.
Forget them as soon as you can, tomorrow is a new day.
Begin it well and serenely, with too high a spirit to be cumbered with your old nonsense.
This new day is too dear with its hopes and invitations, to waste a moment on yesterdays.”

~ Ralph Waldo Emerson

World Mission Sunday

This Sunday is World Mission Sunday and Pope Francis has chosen a theme inspired by the story of the disciples on the way to Emmaus, ‘Hearts on Fire, Feet on the Move’.
All monies raised will help fund church projects in mission countries. Your generosity is greatly appreciated.
