Christmas Greetings

Best wishes and Blessings to all Parishioners for this feast of Christmas.

Thank you all for your contributions during the Year. There are many and varied but each is special and appreciated, helping us as a community of believers.

My hope and prayer is that God Blesses each person with joy, peace and light throughout the festive season and beyond. May each know God's incarnate love in a new way.

Parish Property Insurance

Please take a moment to reflect on this and, where appropriate, give your response should they be insured for reinstatement or for a modernised version? Clearly reinstatement entails a more costly premium.
