MAKE YOUR NEW YEARS GOALS

Dig within and discover what you would like to have happen in  
your life this year.

Goals give direction.

What would you like to do, to accomplish?

What would you like to attract into your life?

What blocks would you like to overcome?

What would you like to attain? Little things and big things?

What would you like to have happen in friendship and love and  
in your family life?

What problems would you like to see solved?

What decisions would you like to make?

What would you like to happen in your career?

Write it down. Take a piece of paper, a few hours of your time,  
and write it all down – as an affirmation of you, your life, and  
your ability to choose.

The new year stands before us, like a chapter in a book, waiting  
to be written. We can help write that story by setting goals.

~ Melody Beattie

Thousands of candles can be lighted from a single candle, and the life of the candle will  
not be shortened. Happiness never decreases by being shared.
