Reflection: *'The most basic of all human needs is the need to understand and be understood. The best way to understand people is to listen to them.'*
~Ralf Nichols

We might think that we're good at listening but we usually talk far more than we realise. There's a story told about a wise old owl who sat on an oak tree. The more it saw, the less it spoke and the less it spoke, the more it heard. Many people today speak of isolation and alienation. There are many reasons but one is that we are not listening enough to those who are special and important to us.

In our Gospels we see how Jesus talked, healed, laughed, loved, challenged, forgave, renewed and most importantly he listened. He allowed each person to share their story. His listening was open, non judgmental and inclusive. Like the owl we need to speak less and to listen more. It is the greatest gift we can give ourselves and to others.

St. Patrick's Day

Marc O Connor, a pupil in 4th class at the local N.S. will be the Grand Marshall for this year's St. Patrick's Day parade in Boherbue. This was a huge honour for this young boy and the Festival Committee are delighted to further acknowledge his bravery with the wearing of the Grand Marshall sash on March 17th. The parade takes place after the **10.30 a.m.** Mass. Donal Curran will again assume the role of St. Patrick. Cullen pipe band will head a group of vintage cars and tractors, clubs, businesses and schools. Prior to Mass Shamrock will be available free of charge at the Church entrance. Following the parade the pupils of the N.S. will provide top class entertainment in the Parish hall.

Parish Gathering

In his Pastoral Letter, "**Moving Forward in Hope**", Bishop Ray invites all parishioners to participate in a consultation process to shape the future of pastoral areas and parishes. A consultation gathering will be held in our Parish on Wed., 6th March at 7.30 p.m. in the library of Boherbue Comprehensive School. As preparation for the gathering, you are invited to reflect on the following three questions:

1. Without the presence of a Priest to lead and coordinate, what aspects of Parish life could we, the laity, take responsibility for and organise ourselves?
2. Where do we see scope for cooperation with neighbouring parishes in our pastoral area?
3. Given what Bishop Ray has said about reducing numbers and increasing age, what do we want to say to Priests?

Many thanks for your support and assistance for this consultation.
