Try Again.

Guard your heart, precious one.
Do not let yourself grow cold.
Stay soft even when the earth around you rumbles and roars.
If you cannot move mountains, move a stone.
Listen to the stories of those who have lost everything – they know the secret to overcoming.
Know your worth and do not settle.
Settling is for morning dew or dust after the winds blow through.
Carry your crosses. Search for light.
Make art out of whatever beauty you manage to extract from the pain.
Leave some room for mistakes.
Show yourself grace. Find the way.
Then try again.
Always try again. ~ Ullie-Kaye
