### Reflection: Holy Week

During the final week of Lent starting on Palm Sunday as we prepare for Easter we must first honour and address "Holy Week" and the "Passion of Christ" as we retrace His steps and as we reflect on His journey to Calvary. But lest we flounder at His tortures, His suffering, His humiliation and ultimately His death on the Cross, let us ask for courage and strength going forward to live a faithful and fruitful life regardless of its challenges. Let us gift ourselves less pressure, less stress and emotional freedom from the uncertainties that torment us daily. Then let us place all our cares, worries and doubts in the hands of our compassionate Saviour as we walk side by side with Him up that hill. Then as we proclaim His death and celebrate His resurrection on Easter Sunday morning we can savour and share in the many blessings of this holy season. **May the joy, peace and love of the Risen Christ be with every one in our community and beyond.**
