*Resurrection is Good news, but at the same time, it's sometimes painful because it involves death. Before the power of the Resurrection can take hold in our own lives, we're called to die to sin, to die to self. We may even have to die to our own dreams, so that God can do what he wants to do with our lives. Resurrection is about seeing our world in a new way. Early that Easter morning, Mary did not find what she was looking for, the dead body of Jesus. But she found something better than she could have imagined. The Risen Jesus. Sometimes, the things we think we want most are not granted to us. What we get instead is an experience of God's new ways of working in the world. That's the power of the Resurrection. When those moments come, we must spread the news, just as Mary did. **We have seen the Lord***
