Thought for the day: Traditionally, we have found it easier to think of the cross as the measure of God's love for us. Perhaps, because of the focus on the cross, we find it more difficult to think of the resurrection as also the love of God, even "all the more so"! The originality of the Fourth Gospel says it all: the disciple Jesus loved, the head cloth recalling Lazarus (see how much he loved him) and, not least, the great figure of Mary Magdalene (Mary!). In summary, Jesus died and rose again for love of us.

Prayer: *Loving God, you love us more than we can imagine or take in. Help us to allow ourselves to be so loved by you, that your love may penetrate our hearts, our lives and our loves. We ask this through Jesus, who died and rose for love of us and who lives and reigns for ever and ever. Amen.*

Fear is the deafening sound of war. Love is the hand that quietsens it
Fear is the voice that is never heard. Love is breaking the silence
Fear is the truth that is locked in the dark. Love is the courage that feeds it
Fear is the hunger that starves all hope. Love is the food that feeds it.
As long as pain exists, as long as suffering is here, we will stay.

Trocaire, until love conquers **Fear**.
