Thought for the day: What does it mean to be saved? We have the secular sense of being rescued or spared somehow. The root meaning of the word in Greek and Latin is to be healed. So, the beginning is some recognition of need, of something fractured, unwell in my life. It includes faith in God who wants us to be both whole and holy, fully alive. The big "sickness" is death itself— from which we are saved/healed through God's love to us in the lifting up of Jesus in death into resurrection. ***Prayer:** Heavenly physician, heal whatever in us is dead or wounded or unfree that we may know the wholeness, freedom, life and joy of the Gospel.*

Marriage encounter weekend – next meeting, April 26th – 28th. Register online www.marriageencounter.ie

Pope Francis on X: We are invited during Lent to stop for a moment. We should pause in prayer, in order to welcome the Word of God, and to pause like the Good Samaritan in the presence of a wounded brother or sister. Love of God and love of neighbour are a single love.

Wishing all mothers a Happy Mother's Day.
