***HOLY WEEK***

This is the final week of lent and it offers us an opportunity to bring our hearts and minds into  
harmony with Christ. Make a special effort to attend the Church ceremonies, which dramatize  
the last agonising moments of Christ's life. Listen to the passion story in a spirit of prayer and  
embrace it's message. The truth is that God loves us all with a love that cost him death on the  
cross.

***HOLY WEEK REFLECTION***

The word holy means 'set apart'. Holy week stands apart from every other week on the Christian  
calendar. The first Holy Week in Jerusalem changed the world, and it continues to change our  
lives. It is a week which takes us to the centre of who we are.

***WE ARE NOT ALONE – GOD IS WITH US***

On Holy Thursday we will give thanks for the precious gifts of Eucharist and priesthood: on  
Good Friday we will celebrate the 'Triumph of Failure', which was the Triumph of Love: on  
Holy Saturday we will rejoice again at the news that the grave will not be our final address. We  
will be reassured that we are loved, and are not alone. God is in our loss: God is in our fear: God  
is in our pain: God will see us through.
