Today the fourth Sunday of lent is called Laetare Sunday or joyful Sunday when we look forward in anticipation to the joy of Easter. In John's Gospel today Jesus tells us 'God so loved the world that he gave his only son so that everyone who believes in him may not be lost but may have eternal life. ' Our salvation is a free gift given to us from a merciful and compassionate God who loves us unconditionally, we can never earn it or merit it in any way. While we were still sinners and could do nothing to help ourselves, God sent his only Son to die on the cross for our sins and obtain for us eternal life. We can never question the love of God for us but to receive this gift we must accept our sinfulness, repent and believe in Jesus Christ as the only one who can reconcile us with God. For us to believe in Jesus and to believe what he has truly done for us we need to get to know him: to be able to trust him and most of all we need to have complete faith in him. So we need to have a relationship with Him and this means we have to invite Him into our lives, to open our hearts to Him and allow Him to heal us change us and be our Lord and Saviour . Through the Church. the Eucharist and the Sacraments Jesus comes to us with His love and forgiveness giving us grace upon grace through His infinite mercy and goodness drawing us closer to him and a life with God. Today let us pray, "We adore thee O Christ and we praise you because of your Holy Cross you have redeemed the world." ****
