Parish Safeguarding Audit

The Diocesan Safeguarding Committee would like to thank all Parish Safeguarding Representatives, Priests, and Parish Secretaries for taking the time to complete the annual parish safeguarding audit. The results from the audit are included in the most recent safeguarding newsletter which is available on the diocesan website. It is particularly encouraging to see the increased number of youth-based ministries that are back up and running across the diocese. A special thank you to all involved in establishing these ministries.
