TREES!

*I think that I shall never see
A poem lovely as a tree.
A tree whose hungry mouth is prest
Against the earth’s sweet flowing breast:
A tree that looks at God all day,
And lifts her leafy arms to pray:
A tree that may in Summer wear
A nest of robins in her hair:
Upon whose bosom snow has lain:
Who intimately lives with rain.
Poems are made by fools like me,
But only God can make a tree.*
