Christ has no body now but ours

If Jesus is to have an effect on the world, it is through his followers, living in such a way that people will see the hand of God at work in the most ordinary situations in our lives.

Christ is dependent upon us being his hands and his voice carrying the lamp of his redemption to others. Therefore, let us allow Christ's love seep into our own life blood. If we live in Christ and he lives in us, the fruit we can bear is beyond imagining.
