* **Season of Creation.** "More and more all of us realize that we have to change our ways regarding practices that are leading to global warming and environmental degradation. Our legacy to the generation being born these years cannot be a seriously damaged planet. At one level this involves encouraging all to adopt a positive attitude to all the different demands that will arise from each government Department's planned changes. At another level it involves initiatives that can be taken at community level. The Church in Ireland has set targets of 30% of church grounds as "a haven for pollinators and biodiversity". Bishop Ray.

Reflection Angel of God prayer.

*Angel sent by God to guide me,
Be my light and walk beside me.
Be my guardian and protect me.
On the paths of life direct me.*

God Bless.
