Just a Thought: Remembering

The beauty of a memory
Is that it's always there,
Like a penny in your pocket
You can take it anywhere.

And when your heart is heavy
And your eyes well up with tears,
You can grasp that little memory
And travel through the years.

Your mind can visit happy times
And recall other days,
Bringing warmth, smiles and gratitude
And shiny sunshine rays.

So as you journey on in life
Take comfort as you go,
From your many trips down memory lane
With those you loved and who loved you so.
