NEW YEARS RESOLUTION!
*Lord, just for today, help me:
Give more and take less.
And always give something back:
Take responsibility or myself
And don’t blame on others:
Live with integrity and courage,
With an eye to the future of us all.
Ask how I can help, instead of how much more can I have.
Act with compassion and tolerance in all things and to everyone.
Know that sometimes mine isn’t the way but only one more way to try:
Live in harmony with the earth and treasure all its gifts:
Accept more and judge less:
To pass on the magnificent wonders of this earth
to my children and their children*
