"The Greatest love story of all time

is contained in a tiny white Host." Ven. Fulton Sheen Celebrating Corpus Christi, we celebrate the real presence of Jesus in the Blessed Sacrament. A recent survey done by the American church showed that 70% of American Catholics did not believe in the real presence of Jesus in Holy Communion. This weekend is an opportunity to see the Eucharist as the source and summit of our Faith and to come to truly experience that in this little white host, that we are part of the greatest love story ever told. The Feast of Corpus Christi was established by Pope Urban IV after he witnessed the Eucharistic Miracle of Bolsena in Italy. The miracle of Bolsena is one of many miracles associated with the real presence of Jesus in the Eucharist; one of the most recent was in Buenos Aires in 1996 under Archbishop Jorge Bergoglio (later Pope Francis). The scientific analysis, conducted by pathologists including Dr. Frederick Zugibe, revealed that the Host contained human heart tissue, specifically from the left ventricle, with signs of trauma and inflammation. The tissue also contained white blood cells, indicating that the heart was alive when the sample was taken.

EUCCHARISTIC PRAYER OF ST. VINCENT PALLOTTI

Jesus in the Eucharist: *Our God and our King.*

Jesus in the Eucharist: *Our Creator and Redeemer.*

Jesus in the Eucharist: *Our Physician and our Medicine.*

Jesus in the Eucharist: *Our Food and our Grace.*

Jesus in the Eucharist: *Our Greatest Good and Happiness.*

Jesus in the Eucharist: *Infinitely loving and worthy of love.*

Jesus in the Eucharist:

You are the greatest and most holy of our mysteries.
