**Medjugorje: The School of Mary**

As Parish & Pilgrims we are grateful to share that all returned safely from our days of pilgrimage in Medjugorje, in Bosnia. Throughout our journey, we experienced countless graces & blessings that touched hearts & deepened faith. New friendships were formed among fellow pilgrims, & lasting memories were made that we will cherish for years to come. We thank God for guiding our steps & for the spiritual renewal we received along the way.

**The Congregation of the  
Missionary Sisters of St Peter Claver**

Missionary Sisters of St Peter Claver will visit our Parish this weekend. The Sisters will tell us about their work and will be **grateful for your support** which will be taking up as a **second collection**. The Congregation of the Missionary Sisters of St. Peter Claver was founded on 29th April 1894 by Mary Theresa Ledochowska in Salzburg, Austria. The original aim of the Congregation was never to send out missionaries of its own, but to keep the missionary spirit alive within the hearts of the faithful, to raise awareness of the missionaries' needs, and to aid where it was most needed. Her work brought her into contact with missionaries across Africa, and she realized the necessity of offering "behind-the-scenes" support for these missionaries. Today, the Congregation's members, including Religious Sisters (intern members) and lay associates (extern members), are active on five continents, continuing the specific charism of their Foundress.
