Thought for the Week:

Who is my neighbour?

We all have the potential to make tangible God's compassionate presence to others. The first step in doing that is to notice. The Samaritan noticed the traveller. Noticing is a small but very significant first step. Yet, it is not enough. The priest and the Levite also noticed, they too saw. It was the Samaritan that allowed himself to be moved by what he saw. This inner movement led him to respond to the traveller. Such, according to the gospel is the path to life.

Seanfhocail:

Bionn an fhirinne searbh. The truth is often bitter.
